

THE BLESSING OF COMPASSION

Blessed are the compassionate, and those
whose heart is full of sweet understanding.

They reveal the way of Angelic Love.

Mock no one's sorrow, and say not that it
should not have been. Rather try to be full of the
understanding of each Soul's travail out of the
Night into the Day.

Be compassionate even though you must needs
be silent through being unable to comprehend.

The Angels of God in the Heavens and on the
earth, follow with tender love the Soul's travail
through the Path in which the burden is borne,
to the Goal when joy cometh.

Before Soul-sorrow ever be reverent.

Where ye cannot understand either the cause
or the nature of the sorrow, let reverence and
tender love be manifested. Your compassion will
comfort. And if ye should be able to comprehend
the mystery of such travail, your love in its
reverent tenderness will be as balm.

In this way ye may even bring the cup of joy to
the sorrowing.

Do not blame. If ye understood more the cause
of the marred visage in Souls, the voice of blame
would give place to the voice of compassion.

Blessed are they who walk in white before the

Lord of Love. Having discovered the mote in their own eye, and removed it, they cause their love to beam upon those whom others would condemn.

Let Love distinguish you. To be the child of the Divine Love, both in its realization and manifestation, is more to be desired than earthly inheritance and power. For love enriches the life. Love exalts the vision. Love ennobles purpose. The regnancy of Love is assured.

If ye love, ye will not fail in the way. If ye truly love ye will give Love. If ye give Love, many will rise up to call you blessed.

Love begets. It is ever creative.

The offspring of Love are manifest in blessed ministry.

Therefore, love ye one another. To rule by Love those who are within our circle, is a greater thing, and more to be desired, than to rule a Kingdom of the Earth.

To love our neighbour as ourself is surely a Divine Ambition. It is the selfless way.

Seek ye unto the finding of it.

Let the Good of Love, and the Truth of Love,

ever be expressed in all your ways. For the Good of Love is its healing power, and the Truth of Love is its Radiance. If ye love Souls, it will not be necessary to tell them so. Love is its own manifestor.

It is to bring these things this ministry is restored, that ye may understand the Love and the Wisdom of our FATHER-MOTHER, and that ye may know whence ye came, what ye are, whither ye are going, and of what nature is the ministry He would have you render.

His Love is the radiance that breaks within you; that sustains you in your sorrow; that upholds you in your travail; that fills you with a great glad hope even when the shadows have sought to steal across your threshold.

Let His Love pour itself through you in beautiful Compassion that shuts no one out.

Bless, and never fail to bless.
